

The Not Quite Shakespeare Company presents...  
Learning Journal: Lady M

What I did: Things you did in the lessons

*I helped my husband to commit murder. No- I persuaded him to do it! I found this quite easy.*

How this was useful: I know/I understand/I explored/I discovered/because...

*I did this because I wanted to explore what it would be like to be King and Queen. I wanted us to rule; I didn't care how we got there. Who would challenge us anyway, when we were in charge?*

My response is: I felt / I liked / I didn't like / I enjoyed/ I struggled with/ I tried

*I felt excited. We had a good plan - but my husband didn't stick to the plan. I had to take over and finish the job. I hadn't expected to do that. I thought I would be fine but actually I found it quite challenging. It was also really tiring.*

I have learned that...

*I have learned that actions have consequences and what I thought didn't matter turned out to matter a lot! I thought I wouldn't feel this way but I feel so - guilty! I can't stop thinking about it.*

Next step: I am going to improve by/I want to find out about/The target I will set myself is/ I am going to make/What I would do differently is...

*What I would do differently is I would make sure my team really knew the plan! I would avoid getting blood on my hands - it just doesn't seem to come off!*

*For my next steps, I am going to have an early bedtime all week. I think I will be able to focus and learn a lot better if I could just get some sleep!*

*I am going to do some research to find out what I can do to stop feeling guilty.*
